Lecture 32
Quiz
1) Correlation receivers do not perform as well as matched filter receivers but are simpler to implement.

(a) TRUE  (b) FALSE

2) When transmitted power levels are equal all line codes offer equivalent performance.

(a) TRUE  (b) FALSE
EE471 Wireless Comm.

1) Correlation receivers do not perform as well as matched filter receivers but are simpler to implement.
   (a) TRUE           (b) FALSE

2) When transmitted power levels are equal all line codes offer equivalent performance.
   (a) TRUE           (b) FALSE
