

EE 354
Assignment 0
8051 Board

Assigned: August 22, 2018
Due: August 27, 2018

Get an 8051 board kit from Vicky. See assembly instructions on web site at <http://csserver.evansville.edu/~blandfor/EE354/AsmbyInst89C51.pdf>

There is a zipped test file on the web site named [BdTestCC03.zip](#). This zip files has an assemble program in hex format that can be loaded to your assembled board for testing.

Bring your board, USB cable, and a scope probe to class on Monday, August 27.
