CS 215 - Fundamentals of Programming II
Fall 2008 - Homework 10
15 points

Out: December 1, 2008
Due: December 8, 2008 (Monday, at the beginning of class, no late work accepted)

Monday, December 8, is the review day for the Final Exam. We will be going over this assignment in class as part of the review. Therefore submissions for this assignment are due at the beginning of class.

Answer the following written exercises from Chapter 15 and Chapter 11 of the textbook. When a question says "implement" just write the implementations on paper. You do not need to type the code into the computer (unless you want to, of course).

1. (3 points) Exercise 16 on page 930.
2. (2 points) Exercise 17 on page 930. Briefly explain why.
3. (3 points) Exercise 13 on pages 638-639.
4. (3 points) Exercise 14 on page 639.
5. (4 points) Exercise 18 on page 640.
