Lecture 16
Quiz
1) An ideal trans-conductance amp has a very _____ input impedance.
   a) low  b) high

2) An ideal trans-conductance amp has a very _____ output impedance.
   a) low  b) high
EE343 Quiz

1) An ideal trans-conductance amp has a very _____ input impedance.
   a) low   b) high

2) An ideal trans-conductance amp has a very _____ output impedance.
   a) low   b) high
